Dear Parents,

The P.T.A of our school will be organizing an educational flight for all students in conjunction with Air Malta. Parents, friends, and relatives are welcome. The flight is scheduled for Tuesday 4<sup>th</sup> January 2011 at 10:30 in the morning. We will be flying up to Ragusa, near Mt Etna and round the Maltese Islands. Every passenger seat costs €50 and this will cater for the ninety minute flight, an MIA security fee and a light snack on board. We will meet at the airport in the morning. It will surely be a great opportunity, especially for all those who never had the chance to fly overseas. It will also be an ideal gift for Christmas since the children will be on their Christmas holidays. Children under the age of six must be accompanied by an adult.

Children and passengers under the age of 16 will not need a passport but a consent form – obtained from the school on behalf of Air Malta - signed by the parents or guardians taking care of the children. In cases where a student cannot obtain the signature of both parents, one should come to school to discuss the matter. A recent passport size photo is also to be presented with this consent form. Passengers over the age of 16 will need to present either a passport or an I.D. card. Those who intend to make use of their ID card should see that this is renewed at the Ex-Evans Laboratories in Valletta.

As you may know, we hire a whole aircraft – this means an Air Malta A320 with a seating capacity of 180 seats. Since the number of seats is limited, the school always adopts the system of a first come first served basis. Don't leave it till late so as to avoid disappointment. We will be organizing this trip with a number of other schools.

A seat will be booked if the €50 will be paid in full together with the consent form duly filled and signed by both parents. Adults accompanying the pupils need to send us their full name together with their date of birth, passport or I.D. No., depending on what they will be presenting at the airport. With the payment you will be given a receipt. If the number of passengers falls short of 180, the school will cancel the flight, in which case all payments will be refunded in full to every passenger. However, if the flight will be taking place and payments are passed on to Air Malta and M.I.A. there will be no chance of refunding the money to any passenger who drops out for any reason or other. We would like you to give us an answer by Wednesday 27<sup>th</sup> October 2010.

Whilst sending you my very best regards, I do hope that happiness keeps coming your way.

Ms. Patricia Mangion
