

Eko Skola Presentation

On Wednesday 30 th October 2013 – The Eko Skola Committee held break assembly and briefed the students and staff about the work that there is outlined for this year as we work towards achieving our 5 th Green Flag.

After introducing themselves and their new roles, the girls explained briefly the main themes for this year – water and litter. They also presented the two Eco-Codes that had been chosen last May as a reminder of our commitment.
