

## Fruit Activity Grade 3 and 2—Mar 2014

On Friday 28<sup>th</sup> February the Grade 2 and 3 collaborated on Fruit Activity. The girls joined classes and helped each other cut and serve fruit in the form of pictures. This was an initiative taken up by the respective class teachers and LSA's to encourage the girls to be more creative and eat more fruit to sustain a healthy lifestyle.

The girls participated and worked really well together.
