

Meet the Author

Ann Wilson

Ann Wilson – the beloved children’s author was hosted at our school on Friday 8th November 2013. Students from grade 3 to 6 participated in this activity. Ann Wilson spoke to the children about her life as a young girl and her love of reading and writing stories. She also spoke to the girls how she gets inspired and how she got her ideas for her books.

After the presentation the girls could ask her questions about how she developed the characters in the particular stories that they had read. At the end of the session Ann Wilson graciously signed the girls’ books.
