

## Seminar At the Convent of the Sisters of St. Joseph Paola

As part of the Year of Faith activities the Grade 6 were invited over to the Convent for a seminar held by the Community of Sisters of St. Joseph of the Apparition at Paola. The girls were shown around the Convent by the sisters. The sisters shared their experiences and spoke about the various works that the community carries out in Malta and abroad.

This was a very positive and interesting experience for the girls as they could appreciate the mission of the Sisters of St. Joseph of which the school forms part.
