

Senior 2 students relating their experiences
with the Sisters at Rabat

Going to the Sisters' Convent at Rabat was truly a pleasant and unforgettable experience. Here at school, we only have a limited amount of time to get to know what the Sisters of St. Joseph really do in their spare time. The first thing we did was to talk to all the Sisters that have come from all over the world and give them gifts. We learnt how they got their inspiration to become Sisters and they also taught us more about Saint Emily. All the sisters were very nice and kind-hearted, so much so that they gave us the opportunity to visit their rooms. Some Sisters have amazing talents. One of them is Sister Clare who knits bookmarks and gives them as gifts. They taught us many things like to have faith and to never give up. We hope to see them again in the future.

On Wednesday 12th March 2014, the Form 2 students were privileged to go and visit the retired Sisters in their convent at Rabat. We were first greeted by Sr. Marion and were lead upstairs where we had a talk. We learnt about the Sisters of St Joseph and their charitable work. After the interesting session, we were divided into groups of three and each group was allocated a Sister so that we could exchange our experiences. When it was over, we gave them gifts that we had brought as a token of our gratitude. We were also lucky to have a tour around the Sisters' accommodation. Later, we went

downstairs to the chapel for a short prayer and some reflection time. This outing was a great success, thanks to Mrs Betts and Sister Lucienne.

Letter of thanks from Sr. Marion

Dear Mr K. Vella,

Many thanks for sending Form 2 girls to visit us, sisters at Rabat. It was a joy for us all to be with the girls and teachers. Communication between girls and sisters was at its best. Many thanks for lovely gifts you and girls gave each one of us. Kindly extend our gratitude to the parents of the students.

Girls felt much at home especially when they went to the sisters' rooms. They showed interest in each sister and I am sure there was an impact of appreciation of talents.

At prayers we prayed for you all.

Regards and May God bless you all.

Sr Marion
